

Merchant Services

Merchant Accounts for Your Business

Spending on plastic is now the payment of choice by customers everywhere. Businesses that accept credit and debit cards experience much higher sales. In order to accept credit and debit cards, you need a merchant account. With Omega Transactions, you get low rates, great solutions, and award winning service from a company that has been helping merchants just like you since 1989.

Merchant Accounts for All Business Types

Every successful business needs to accept credit cards. Omega provides low cost merchant accounts for all types of businesses including:

- Doctors, Dentists, Health Care
- Retail Stores
- Restaurants / Bars
- Wholesalers
- Manufacturers
- Distributors
- Service Industries
- Web Based Businesses
- Mobile Merchants
- Non-profits, charities
- Mail Order / Telephone Order

Omega will provide a merchant account that is specifically designed for you and your business so that you keep your costs as low as possible.

Benefits Include:

- Next day funding into your Gulf Capital Bank account available
- Cutting edge equipment and solutions for accepting payments from your customers
- One free Clover Mini or Clover Flex device for Gulf Capital Bank merchants
- Local, personalized service

Gulf Capital Bank has partnered with Omega Transactions to deliver low cost merchant accounts and payment processing solutions.

Merchant Services

Payment Solutions for Your Business

Omega Transactions offers every solution to merchants wanting to accept credit cards and debit cards at an affordable price. We provide both the merchant account and a full selection of PCI compliant credit card machines needed to process payment transactions.
