Banking Built For Houston

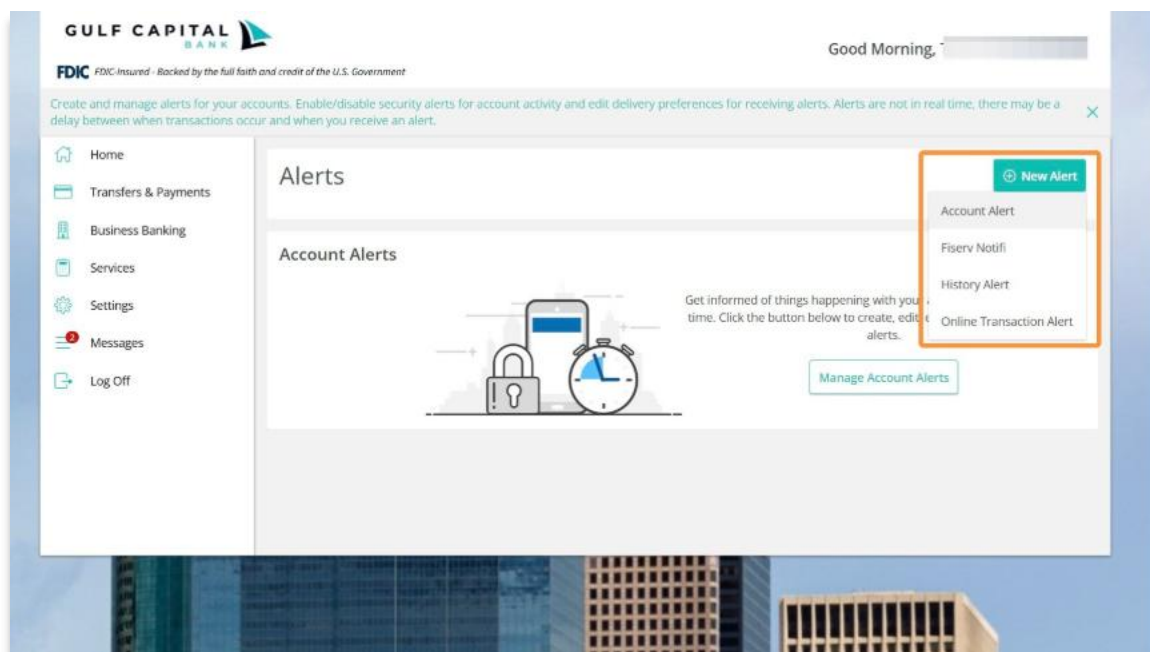

Learn how to configure automated balance, transaction, and security notifications for your banking account. This guide helps you stay informed about your finances by setting specific triggers and delivery methods for your alerts.

1. To setup a new alert, select the "Settings" menu and then select "Alert Settings".

If you need additional assistance, please contact our Client Services Team at (713)999-8875.

2. Select the desired type of alert from the drop-down menu under "New Alert".

3. For an "Account Alert", select the Account, Frequency, Amount Comparison, and Dollar Amount.

If you need additional assistance, please contact our Client Services Team at (713)999-8875.

4. Select a Delivery Method. Enter the necessary information and select "Create Alert".
